DR D F WILLIAMS
Institute of Medical and
Dental Engineering
University of Liverpool
P O Box 147
Liverpool L69 3BX
Tel (44) 51 7090141
Fax 2944 or 2239

AGENDA.

- 1 Apologies for absence.
- 2 Minutes of the General Assembly held in September 1985 in Paris, France.
- 3 The Society Journal.
To consider whether the ESB should continue to take the Journal of Biomedical Materials Research as the Society Journal. President (Dr A J C Lee) to report the present position and to inform the General Meeting of the recommendation of the Council of the ESB.
- 4 Associate Membership of the ESB.
To consider a Recommendation from the Council of the ESB that a new class of membership be created, that of Associate Member. It is intended that Associate Membership be offered to members of the Italian Society for Biomaterials. The Italian Society will pay a lump sum each year to the ESB to cover administration costs for the Associate Members. Associate Members will receive the ESB Newsletters and be eligible for reduced conference registration fees, but will not receive the Society Journal, be entitled to vote at General Meetings of the Society or be eligible to serve on any Committees of the Society.

Any member who is not able to attend the General Meeting on 15 September may send written comments on the above business to me. I will bring such comments to the attention of the General Meeting.

A J C Lee
President, ESB.
