

## RSC Desktop Seminar Lectureship with Biomaterials Science

Dear ESB Members,

I would like to make you aware of the latest RSC Desktop Seminar Lectureship, sponsored by Biomaterials Science.

RSC Desktop Seminars are an ongoing initiative from the Royal Society of Chemistry to bring cutting-edge research directly to you! This seminar will feature the 2020 Biomaterials Science Lectureship winner, Kanyi Pu, and RSC Biomaterials Science Editor-in-Chief, Jianjun Cheng.

Attached is a promotional image to this email and the link to the event website is [here](#).

I would encourage you to register for the latest RSC Desktop Seminar Lectureship to hear about the exciting research innovations and discoveries from the labs of [Kanyi Pu](#) (Nanyang Technological University, Singapore) and [Jianjun Cheng](#) (University of Illinois at Urbana Champaign, USA). It should be a great seminar!

Kind regards,

Nick
